

Implementing Commuter Parking Fees at Crosby Market

Tuesday, January 20, 2015 will be the first day that vehicles parked in a commuter space in the Crosby Market commuter parking area will be required to display a parking placard or be subject to a parking violation citation.

Parking placards for the 56 commuter parking spaces on the Sudbury Road side of the Crosby Market parking lot went on sale December 22nd in the Collector's Office at the Concord Town House for use through March 31st. A maximum of 24 parking placards will be sold at a price comparable to the West Concord Parking Lot to Concord residents and a maximum of 32 placards will be sold to non-resident commuters at a higher rate (\$4.00/day, the same fee charged for MBTA spaces at the West Concord commuter lot).

The fee for Concord residents is \$40.50. This entitles a placard-holder to designate up to two household vehicles registered in Concord. A placard for non-residents is \$200.00. This initial placard will be valid through March 31, 2015. The second six-month placards will be available for sale mid-March as rear-view mirror "hang tags". The holder of a placard/permit is guaranteed a parking space in the commuter parking area.

For more information about purchasing a parking placard, call the Town Collector's Office at 978-318-3050.
